## LATIN RAPPER CALIBER FROM "THE SUSPECTS" SET TO RELEASE DEBUT SOLO ALBUM "ENTER MY CITY" ON DMAFT RECORDS

(Los Angeles CA) – The sensational Caliber is set to release his solo debut entitled "Enter My City" on DMAFT Records, a Fontana/Universal distributed label. Caliber is joined by his fellow The Suspects group members Lefty Knuckles and Kayottic, the entire roster of their Most High Records movement and the incredible LaLa. Production for "Enter My City" was handled by Tony G, DJ Reflex, Chico Rosales, Killa Cal, M1 and Most High's main in house producer Boney Bones at The G Spot studio in Los Angeles. The legendary Estevan Oriol shot all the photography for Caliber and "Enter My City".

*"CITIZEN OF LOS ANGELES, SOUTH CENTRAL LOS ANGELES TO BE EXACT. THAT'S WHAT I'M TALKING ABOUT WHEN I SAY "ENTER MY CITY". THIS IS MY HOME AND THAT'S WHAT I REP ON MY SONGS."* – Caliber

Videos for "Enter My City" include the pre-release single "Raised In The Hood" (Video of the Month at Las Calles.net) and for the official first single "Something Out Of Nothing". The anti-immigration track "United State" has been an anthem at the last two May Day rallies. "Caliber (Tony G's G Spot Remix)" has been a street favorite from Caliber's infamous South Central Mixtape, mixed by Tony G and hosted by West Coast superstar DJ Julio G. Caliber's music has been heard in *Quentin Tarantino Presents: The Protector*, FX's *Dirt* and *Urban Justice*.

Caliber and The Suspects have one of the hottest live shows going in Southern California.
